July 31, 2021

As previously reported the NationWide Express Auto Wash Trust (“NationWide”) investment program for our development property in 1035 Lougheed Hwy in Coquitlam, BC (the “Coquitlam Property”) was well received by the capital markets and as such we are fully subscribed, and the offering closed in record time by March 2021.

CONTRACTORS APPOINTED

BFA Studio Architects (“BFA”) has also been engaged by NationWide to provide both architectural and engineering services. BFA is experienced in designing and engineering several other multi-level urban self-storage buildings and we are happy to work with them again on this project.

The Development Permit was submitted in May to the City of Coquitlam. BFA have received comments back from the City of Coquitlam and the application is due to be re-submitted in late August 2021.
